**Subject:** 2013 CI Workplan--For Your Review/Comment

Attached is your workplan for 2013. It includes the baseline CI activities that are in the T&A report. I also included sites/projects that I know you'll probably be working on. I need you to:

- Review your plan
- Add any sites/projects that you think you might be working on, along with the projected CI activities
- Send back you revisions by July 31.

I'll start scheduling planning meetings in August. Thanks.
